

OCEAN SHIPS, INC.

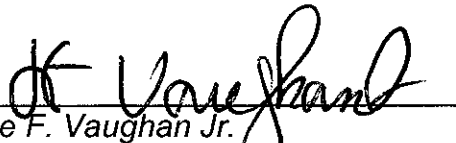

THE MISSION OF OCEAN SHIPS, INC.:

- The mission of the Company is to provide marine industry services for our customers in a safe, efficient, and cost-effective manner with minimal impact on the environment.

QUALITY, SAFETY AND ENVIRONMENTAL PROTECTION POLICY

THE POLICY OF OCEAN SHIPS, INC.:

- To provide high quality marine industry services to its clients;
- To provide a drug and alcohol free work environment, both ashore and at sea;
- To conduct its operations with due regard to the health and safety of its personnel both at sea and ashore, safety of vessels entrusted to its care, the preservation of a pollution-free environment both at sea and ashore, and avoidance of damage to property;
- To meet the requirements of the ISO 9001:2000 and ISO 14001:2004 standards and IMO Resolution A.741(18) to provide an international standard for the safe management and operation of vessels and environmental protection;
- To continually improve the effectiveness of the quality, safety and environmental management system; and,
- To operate in compliance with mandatory rules and regulations; and that applicable codes, guidelines, and standards recommended by the Organization, Administrations, classification societies and maritime industry organizations are taken into account.
